

# Grace Christian School

## 2020-2021

### 1st - 8th Grade Student Classroom Supply List

*In addition to various learning materials that our school provides our students, the teachers would appreciate if you would have your child bring the following materials to school, they will personally be using throughout the school year. If you wish to purchase special school supplies not on this list, please keep them at home for homework use.*

***Please be advised, at this time we will not be providing an opportunity for catered lunches. Therefore, all students will be required to have either a lunchbox or bring their lunch in a bag.***

Due to COVID-19 safety protocol the drinking fountains will not be functioning. Therefore, please be advised that **ALL students will need to provide their own drinking water container to use during the school day.** *The students will be able to fill their personal drinking water container from the faucets in their classroom.*
