

Grace Christian School

2021-2022

K – 8th Grade Student Classroom Supply List

In addition to various learning materials that our school provides our students, the teachers would appreciate if you would have your child bring the following materials to school, they will personally be using throughout the school year. If you wish to purchase special school supplies not on this list, please keep them at home for homework use.

Due to unknown COVID-19 safety protocol the drinking fountains may not be functioning. Therefore, please be advised that ALL students will need to provide their own drinking water container to use during the school day.

Feel free to email the classroom teacher should you have questions.
