YOUR WEEKLY NEWSLETTER ABOUT OUR SCHOOL!

Dear Friends,

It's hard to believe that we are two-thirds of the way through this precious school year! The days continue to fly by as we make memories and share moments together. The support we have received from church members and school families has been overwhelming! We definitely feel your love for our amazing school!

It was a pleasure and an honor for our Kindergarten class to sing Valentine songs to our lovely LWML ladies. They practiced everyday and couldn't wait to put their fish hats on and head over to the meeting. We have adorable little singers and dancers! Thank you for inviting us, LWML, and for all the valentines! We appreciate your thoughtfulness and generosity!

This month our awesome parent boosters are hosting our 31st Annual Auction Dinner Gala. Over the years so many of you have joined us for this fun event. I remember donning my cowboy attire for our very first western themed auctions next door at what was then First Baptist. It is hard to believe our little auction is now such a big event at the Wyndham! It is definitely our largest fundraiser of the year! The monies raised go towards field trips, musicals, chrome books, advertising, equipment, and so much more. I hope you have your tickets. There will be great food, lovely items to bid on, amazing company, and a ton of laughs as we enjoy the comedy of Trent Babb. We are accepting items for the silent and live auction, as well as gift certificates or gift cards if you have anything you'd like to share. Every little bit helps! Thank you to the Boosters for all of the work they are putting into this amazing annual event! See you there on March 15th.

We are thrilled to report that registration is now open for the 2025-2026 school year! Please help us spread the word! Great things are happening at Grace! Our students are growing in their studies, in their friendships, and in their relationships with our Lord. Jesus reigns on our campus and in our hearts! By His grace we are thriving on this corner and I can't wait to see what He has planned for us next!

Blessings,
Joanne Cook

Grace Christian School Alumni Spotlight

This month we are excited to feature Tyler Hays (GCS Class 2009)! Tyler excelled while at Grace, and brought much talent to our musical/drama program! At Redwood High School (Class of 2015), Tyler was able to experience several honor choir experiences at the local, regional, state, and national levels, and RHS honored him with an Achievement Award in 2015 for being selected for the National Honor Choir. After graduating from high school, Tyler moved to La Mirada, CA, to pursue a Bachelor's of Music in Music Education at Biola University (Class of 2019). He enjoyed serving as the Choir President at Biola from 2017-2019, and just before graduation, he was offered the Middle School & High School Choir Director position at CVC in Visalia, which he humbly accepted and was able to move back closer to family. After serving in that role for two years, he and his wife felt God's call for them to move to Riverside, CA, so that he could pursue a Master of Music degree in Choral Conducting (Class of 2023). By the grace of God, he graduated with honors and was offered a position in the Riverside Unified School District as a Choir Director at Arlington High School. Currently, he gets to serve his church and community in Riverside, along with his wife Eunice and his daughter Teagan. They do this with great joy in their hearts, while following the Lord's leading wherever they go.

One fun fact is that Tyler's mom, Shannen Hays, blessed Grace as a 6th grade teacher of our students for a number of years. Tyler says he's grateful for his time at Grace Christian School because it provided him with a vast foundation - educationally, spiritually (and for him, musically!). Congratulations, Tyler, on all of your accomplishments. We are proud to have sent you out into the world, and thank you for making a difference there!

Grace Christian School... today's learners...tomorrow's leaders!
