EDITION**

YOUR WEEKLY NEWSLETTER ABOUT OUR SCHOOL!

Dear Friends,

Summer is rapidly coming to a close and soon the doors will open and a brand new school year will begin! Our 2024-2025 theme is “Thrive”. We were not just put here to survive, but to thrive! “Like a tree planted by the water we never will run dry.” Our days at Grace will be jam packed with learning, music, friendships, and so much more.

We would like to thank Sandy Eitel and Pam Eide for leading the charge at our campus cleanup days. We are so thankful for everyone who showed up to lend a helping hand. Your help is so much appreciated. We are also thankful for Paul Neipp who spends so much time making our campus beautiful. We would like to thank Dave Eskilson for taking time out of his schedule this summer to touch up the paint in the Fellowship Hall. We could not be more thankful for Jenny Reyes and Brooke Bailey who go above and beyond for our school. Thank you for working so hard to bring me up to speed and keep me on track this summer. Thank you to our school board for always being available to answer questions and offer counsel. You are the best of the best! Finally, we need to thank Heidi Huckleberry, Hannah Mendoza, and all of our extremely dedicated booster families for braving the heat in the fireworks booth. Our boosters are amazing and we are so appreciative of everything they do to raise funds for projects and opportunities for our students. You are such a blessing to us!

So now it is time to welcome our students and their families back to school! Activities and field trips are being planned, lessons are being prepared, the classroom decorations are going up, and so many prayers are being lifted. We give this school year to the Lord and pray He sees fit to bless us each day and grow us together as a family. We are so honored to be his crew!

Blessings,
Joanne Cook
