

Grace Christian School Chromebook Check-Out Form and Use Contract

By my signature below, I agree as follows:

1. There is no expectation of confidentiality or privacy with respect to the usage of the student Chromebook I have checked out for my child, regardless of whether the use is for school purposes, or personal purposes, other than as specifically provided by law.
2. Grace Christian School may, without prior notice or consent, log, supervise, access, view, monitor and record use of the student Chromebook at any time for any reason related to the operation of the school using installed monitoring software. By using the student Chromebook, any user agrees to such access, monitoring, and recording of their use.
3. I am solely responsible for any damage to the student Chromebook I have checked out for my child; including, but not limited to: broken screens, cracked plastic pieces, inoperability, etc. Should the cost to repair the student Chromebook exceed the cost to purchase a new device, I will pay the full replacement value forthwith.
4. Lost or damaged charging cables will be charged at the actual replacement cost, which I will pay forthwith.
5. My child agrees they will not alter any settings or configurations on the student Chromebook.
6. I agree that Grace Christian School will not be responsible for any damage, loss of data, or loss of media due to any cause while using the student Chromebook.
7. I agree that any computer issues, of any type, will be reported to my student's teacher immediately.
8. My child will only use their student Chromebook in accordance with the Grace Christian School Social and Digital Media Policy, as set forth in the Student and Parent Rights and Responsibilities Handbook.
9. I agree that the only person who will use the student Chromebook is my child, to whom it is checked out, and no other third person.
10. I agree that I will not attempt to fix, open, or replace any part of the student Chromebook.
11. As there is no set "return to school date" as of the date of this signing, I agree that my child's student Chromebook will be returned to the school within 24 hours of request, unless other arrangements are made by me with my child's teacher directly via email.
